

Privacy Notice – National Screening Programmes

Penryn Surgery

Plain English explanation

The NHS provides national screening programmes so that certain diseases can be detected at an early stage. These currently apply to bowel cancer, breast cancer, aortic aneurysms and diabetic retinal screening. The law allows us to share your contact information with Public Health England so that you can be invited to the relevant screening programme.

More information can be found at : <https://www.gov.uk/topic/population-screening-programmes> or speak to the Practice.
